Mr. Jon Gettman
Route 1, Box 26
Lovettsville, Virginia 22080

Dear Mr. Gettman:

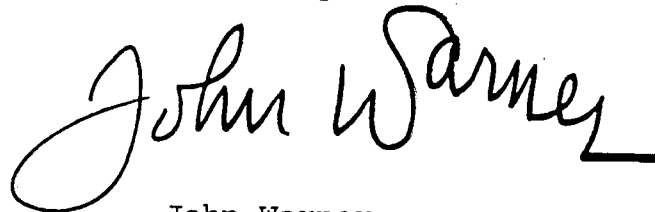

Thank you for sending me a copy of the press release from NORML concerning efforts to legalize marijuana.

I support the current law which makes it illegal to use, possess, or distribute marijuana. Marijuana is a mind-altering drug that has proven to have negative side effects and can pose a major health risk. Although it has not been proven to be an addictive drug, marijuana can negatively influence an individual's behavior. For these reasons, laws have been passed making marijuana an illegal substance. Use or possession of this drug is and should be punishable by law.

Again, thank you for sending me the NORML press release.

With kind regards, I am

Sincerely,

John Warner
